Meeting #12 (February, 2008)

- Last assignments before disbanding DRA's Study Team
- Perhaps we ought to have a celebration party in honor of our success? (Let us hope that success it is indeed!)

Special Note: The REPOG process has been successful. An implementable plan is now making the rounds to City Councils, Mayors, board members of agencies, etc. We are generally well received with our plan. Additionally, there has been overwhelming interest in maintaining the REPOG process as it has been. The local agencies along with the DRA have agreed to partner in supporting the REPOG process. Thus, we will be continuing generally monthly (except for rare calendar conflicts), throughout the project planning, outreach, and implementation process.
